LES PETITES JAVELLES ROUGE

LES PETITES JAVELLES - IGP TERRES DU MIDI

TERROIR

The IGP Terres du Midi covers the diverse landscapes of Gard, Hérault, Aude, and Pyrénées-Orientales. From high plateaus with cool nights to sun-drenched coastal plains, every nuance of the Mediterranean climate contributes to the richness and diversity of these terroirs. Breaking away from the tradition of rich and powerful wines, Les Petites Javelles embrace a modern style, where freshness and vibrant flavors shine. True to our values, these wines are HVE3-certified (High Environmental Value), reflecting our commitment to sustainable and respectful viticulture.

- CLEAR AND EVOCATIVE ORIGIN: THE IGP TERRES DU MIDI REFLECTS THE RICHNESS OF THE SUNNY LANDSCAPES OF THE SOUTH OF FRANCE.
- MODERN STYLE: FRESH AND CRISP, BREAKING AWAY FROM HEAVY, POWERFUL WINES.
- SUSTAINABLE COMMITMENT: HVE3 CERTIFICATION AND ECO-DESIGNED PACKAGING.
- A MARK OF EXCELLENCE: CREATED BY CATHERINE DELAUNAY AND SIGNED BY LES JAVELLES, A SYMBOL OF QUALITY FOR 30 YEARS.

Les Jamelles

WINEMAKING

The grapes are vinified after full destemming, followed by a short, low-temperature maceration for a few days. This process limits tannin extraction, resulting in a very fruity red wine with ripe, crisp tannins and a vibrant, bright color.

TASTING

Cherry-red color. Fruity and luscious nose with notes of cherry, raspberry, and pomegranate. Delicate and well-balanced palate, combining roundness and freshness, with soft tannins and fresh red fruit flavors, offering a long finish.

FOOD PAIRINGS

Serve at 18°C.
Perfect with roasted chicken or herb-grilled lamb chops, vegetable lasagna, or Penne all'arrabbiata. Also pairs beautifully with a charcuterie and cheese platter or a dark chocolate brownie for dessert.
